

Architectural floor plan of a building, likely a school or institutional facility, featuring a grid system for reference. The plan includes various rooms, corridors, and service areas. A red line highlights a specific path or boundary, and a yellow line highlights another. The grid is labeled with letters A through P on the left and numbers 1 through 25 on the bottom. Dimensions are provided along the grid lines.

Key features and labels include:

- Rooms and Areas:** "Входная группа" (Entrance group), "Коридор" (Corridor), "Класс" (Classroom), "Кабинет" (Cabinet), "Служебный" (Service), "Тамбур" (Lobby), "Лестница" (Staircase), "Лифт" (Elevator), "Ванная" (Bathroom), "Туалет" (Toilet), "Холодная вода" (Cold water), "Горячая вода" (Hot water), "Сточные воды" (Sewage), "Вентиляция" (Ventilation), "Отопление" (Heating), "Электричество" (Electricity), "Газ" (Gas), "Водоснабжение" (Water supply), "Канализация" (Sewerage), "Связь" (Communication), "Телевидение" (Television), "Интернет" (Internet), "Система безопасности" (Security system), "Система пожаротушения" (Fire suppression system), "Система вентиляции" (Ventilation system), "Система отопления" (Heating system), "Система водоснабжения" (Water supply system), "Система канализации" (Sewerage system), "Система связи" (Communication system), "Система телевидения" (Television system), "Система интернета" (Internet system), "Система безопасности" (Security system), "Система пожаротушения" (Fire suppression system), "Система вентиляции" (Ventilation system), "Система отопления" (Heating system), "Система водоснабжения" (Water supply system), "Система канализации" (Sewerage system), "Система связи" (Communication system), "Система телевидения" (Television system), "Система интернета" (Internet system).
- Grid System:** Letters A through P on the left, numbers 1 through 25 on the bottom.
- Dimensions:** Provided along the grid lines, ranging from 1000 to 6000 units.
- Color Coding:** Red line highlights a path, yellow line highlights another path.
